

## ANNUAL MEETING AND BOARD ELECTIONS 2024

The following candidates were nominated to run in the 2024 elections.

**Maria Grzegorski**—emigrated from Poland in 1974. Member of the United Poles Federal Credit Union and a volunteer on the Board of Director. As a director of United Poles FCU, she attended numerous workshops and has learned valuable information to help carry out her position on the Board of United Poles FCU. She would like to continue to be a part of the decision-making process to help steer the organization in the best interest of the Credit Union members; to help the Credit Union grow and become stronger.

Maria has been a part of the Polish community in the Perth Amboy area since 1978. Over the years, she witnessed the community and its needs change, finding it very important to represent the perspective of all members, from children to seniors, from the new members to those with long-standing accounts

**Izabela Jedruchniewicz**—born in Poland. She came to the United States in 1996 with a master's degree in electrical engineering. She also earned an associate degree in mechanical engineering and an associate degree in civil engineering from Middlesex College where she has been working as a senior lab coordinator for the past 18 years. She is an adjunct instructor at the college where she teaches engineering courses such as robotics and engineering drafting.

Through working as a lab coordinator or volunteering in a Polish school, she's worked with different people. Thanks to working in the engineering environment, she's experienced at problem-solving and working under pressure. She strongly believes that she can bring a new, fresh, different point of view and new ideas to the Board of the Credit Union. She's been a member of the Credit Union since coming to the U.S. in 1996 and encouraging people to bank with the Credit Union, being proud of being a part of it.
